PROFESSIONAL EXPERIENCE

PnL App | Dubai — **APR 2025 - PRESENT**

Chief Marketing Officer

- Owned user communication and product-adjacent growth across acquisition and retention channels for a consumer fintech app.
- Reached 50K+ downloads and built a 10K+ community across the app, Substack, Meetup, Discord and WhatsApp.
- Turned recurring user questions and feedback into educational content, community conversations and product or growth initiatives.

Kintz (formerly HeartLoop) | Amsterdam — **DEC 2022 - PRESENT**

Co-Founder - Marketing & Product

- Led the 0-to-1 repositioning from HeartLoop to Kintz, defining the customer proposition, user-facing story, product direction and launch plan.
- Built early prototypes and research workflows using modern no-code and AI tools; advanced the venture to Philips Innovation Award semi-finalist status and ACE Incubator selection.

Searix | Singapore / Dubai — **SEP 2025 - MAY 2026**

Event Tech Business Manager

- Delivered digital event and brand-activation projects across Dubai and Singapore, from client brief and proposal through planning, vendors and live execution.
- Kept clients, vendors and internal teams aligned through clear updates, rapid issue resolution and changing requirements.

Unika Agency | Tashkent / International — **SEP 2025 - FEB 2026**

Partner & Head of International Strategy

- Directed international expansion and full-funnel growth strategy across paid acquisition, creative production, automation and conversion optimization.
- Converted commercial goals into client roadmaps and aligned creative and performance teams from market insight through delivery and measurement.

x-one.vision | United Kingdom — **DEC 2022 - DEC 2023**

Business Developer

- Developed B2B and B2C market strategy and led a cross-functional website redesign across design and development contributors to make the user journey clearer and improve conversion.
